SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

- A. If it's in the best interest of the Government, the Government and the contractor may negotiate a payment schedule other than monthly (i.e. annually, semi-annually, quarterly, etc.). When a payment schedule other than monthly is negotiated, all references to monthly payments in the basic contract will be changed to the time frame that was negotiated for the task order.
- B. When other than monthly payments are negotiated for a task order, paragraphs 2.4.4.1 and 2.4.4.2 of the Statement of Work will be revised to read "The costs for such repairs shall be withheld from the next scheduled payment to the ESCO."
- C. When other than monthly payments are negotiated, Clause H-17 will be revised to read as follows: "The Government may include a different payment schedule for the last year of the task order in order to protect the Government from any shortfalls revealed during the final annual reconciliation period (for example, the negotiated payment schedule was annually for all years except the last year which can be monthly). Final payment on a task order will not be made until the final annual reconciliation report has been submitted and no shortfalls are revealed."
- D. There is no change to the contract amount or performance period as a result of this modification.
- E. All other terms and conditions of the contract, except as modified, remain unchanged as a result of this modification.
